OBJECTIVE

As a recent Computer Science Engineering graduate, I am eager to launch my career in software development and technology. With a solid foundation in programming, data structures, algorithms, and software development principles, I am enthusiastic about contributing to innovative projects and solving real-world problems. Seeking an entry-level position at a forward-thinking company where I can apply my technical skills, collaborate with experienced professionals, and grow as part of a dynamic team.

EDUCATION

Bachelor of Technologies in Computer Science and Engineering **|**2019 – 2023**|** 65%

10+2 in Maths, Physics and Chemistry |2017 – 2019| 9.1CGPA

SSC |2016 – 2017| 8.8CGPA

PROFILE SUMMARY

➢ Enthusiastic and highly motivated Computer Science Engineering graduate with a strong foundation in software development, data structures, algorithms, and computer systems.
➢ Eager to apply academic knowledge and hands-on project experience to real-world challenges. Possesses practical skills in programming languages such as Python, Java and C++ and familiarity with modern development tools and methodologies.
➢ Demonstrates excellent problem-solving abilities and a proactive approach to learning new technologies.

Projects: -

Online Private Tutor Finding System : -

➢ The main objective of this project is to create a platform to find online private tutors.
➢ This private tutor system will help to find tuition teachers from nearby locations.
➢ Teachers can also get a student just by logging onto the website and setting up the profile.
➢ In this busy world this platform will be easy for students to gain knowledge from the highly qualified tutors.
➢ The information of the students is only known to the admin of the website so it is safe and secure for the students.

CERTIFICATES

➢ Certificate in UI/UX Designing From Tech Mahindra Smart Academy.
➢ Certificate in Cyber Security From CISCO.

SKILLS

➢ **Programming Languages:** JavaScript
➢ **Front-End Technologies:** HTML5, CSS3, JavaScript, React.js.
➢ **Tools & Technologies:** Adobe Illustrator , Photoshop, XD, Figma, Visual Studio Code
➢ **Operating Systems:** Windows
➢ **Other Skills:** Power point , Ms-Excel
➢ **Soft Skills:** Problem-solving, Teamwork, Communication
